Hi! I'm Martin. I love travelling. I went to Istanbul on the 14th of July. It was incredible. It was the capital city of the Ottoman Empire. Istanbul preserves many historic buildings, mosques, palaces and towers. I visited the Galata Tower, Blue Mosque, Hagia Sophia and Topkapı Palace. There are different means of transportation. I preferred the tram to see the attractions. I ate grilled fish sandwich in Eminönü. I really loved it. The weather was hot and sunny. I stayed at an all-inclusive hotel for 5 days. It was comfortable and not very expensive. I suppose Topkapı Palace is the most beautiful place in Istanbul because to me, it is an important structure, and it's a cultural miracle.
